DISTRICT DISASTER RELIEF GRANTS

Have you applied for Disaster Relief Foundation Funds?

The District 5910 Foundation and RI Foundation Donor Advised Fund have money available for Hurricane Harvey Relief Grants. Get your applications in as soon as possible.

The District Disaster Relief Foundation Fund Committee is currently accepting applications from Rotary Clubs in our District to aide in Hurricane Harvey relief. Applications are reviewed and a response is returned within 10 days. Please be sure to review the criteria. Please submit your application via email to Amy Killgore at amy.killgore@gmail.com.

Information and forms here:

SPECIAL NOTICE ABOUT DISASTER RELIEF FUNDS:

Money is still available in the RI Donor Advised Fund as well as the District Foundation for Harvey Relief, so please fill out a Harvey grant application and submit it. Money sitting in the bank is not doing people in need any good and we need to put it to work where it is needed.

Clubs which have received grant funds in the past from the District grant funds or the RI funds need to let Hugh Summers know how funds they received have been used as well as how pictures will be displayed in the House of Friendship at the upcoming District 5910 Conference in Palestine on April 27-29, 2018. Clubs can either put the information in the Disaster Relief booth and it can be posted at the club booth. Clubs which plan to have a poster with the report and pictures, Velcro display boards will be available in the Disaster Relief booth. Please notify Hugh Summers so the proper space can be allocated.

CLUB NEWS: Angelina

What an inspiring presentation and a remarkable future for Impact Lufkin and ☺ President Robert Shankle did a wonderful job!

What a magnificent day to have a Rotary Club meeting with the joy of RYLA chants and the appeal of a new location, exceptional speakers & a phenomenal presenter....all for the good of Rotary!

Great meeting at Crown Colony. We enjoyed hearing from Irvin McWilliams and Stephen Parks regarding the cooking trailer and aid efforts of the Unity Baptist Association. Great work from Crystal Williams in getting the \$5,000 Harvey grant from Rotary to help purchase a new oven for the trailer. We look forward to learning more about how we can be hands and feet for this ministry in the future. We also heard from Lin Lintz of Crown Colony regarding the catering changes soon to come and were granted a glimpse at some of the updates on the horizon for the facility.

CLUB NEWS: Beaumont

March 7, 2018 was certainly a day to remember for the Rotary Club of Beaumont! It was the Club's celebration of International Womens Day and the day Dr. Sylvia Whitlock was welcomed to the meeting as the guest speaker.

Dr. Whitlock led the way for women to be admitted as full and equal members of Rotary International, and who went on to become the first woman to hold the position of President of a Rotary Club anywhere in the world visited the Rotary Club of Beaumont to tell her story. What

a privilege it was to be with her and hear of the eleven-year legal struggle that took place just a little over thirty years ago!

And now, welcome to the March 7, 2018 meeting of the Rotary Club of Beaumont: <https://youtu.be/VyxCjam1qgo>

CLUB NEWS: Dickinson

Getting feedback from the community is a key aspect of formulating the College of the Mainland's long-range Academic Master Plan, and Dr. Steve Sewell, COM's Dean of Academic programs, sought feedback on Wednesday, March 21. The regular meeting of Dickinson Rotary Club was a public forum, and Dr. Sewell explained how the college has been gathering information from stakeholders to determine the direction the college should take over the next 10 years. COM's Academic Master Plan will guide how instruction will evolve at the college and also will drive development of the facilities master plan. The plan includes recommendations on program offerings based on the labor market needs of the Texas Gulf Coast and beyond.

Dr. Steve Sewell, COM's Dean of Academic programs, spoke to the Dickinson Rotary Club regarding the college's Academic Master Plan.

This year, Dickinson Rotary sponsored ten RYLA students. The RYLA participants presented a fun and engaging Rotary program on March 7th. Club members enjoyed the activities shared by the students, and they enjoyed hearing each student share what they learned at RYLA and how they have benefited from the experience.

CLUB NEWS: Fredonia Club

Guest speaker Kathy Strong spoke about her work with Neema Village in Africa. Kathy is the director of the Treatment Center. Neema Village, a 501(c)3 registered non-profit in the USA and a registered NGO in Tanzania. Neema in Swahili means Grace and any good done has been done by the Abundant Grace of God! Neema Village began as “Neema House” in 2012 as a rescue center for abandoned, orphaned and at risk babies in Arusha, Tanzania, East Africa. During that time, more than a hundred babies have been rescued, many abandoned babies have now been adopted and others who had lost their mothers during the birth were saved and have now been able to return home to an extended family member. We love the idea of “Families not Orphanages.”

Fredonia Rotary Club of Nacogdoches partners with Child Protective Services to host the Fredonia Forever Family Fun Day each spring. The event allows children in need and families who are interested in adoption to meet and enjoy the day together. There were many activities for everyone to enjoy including face painting, arts & crafts, Lego building, basketball, football, bubble art, bouncy house, karaoke, exploring motorcycles and a petting zoo.

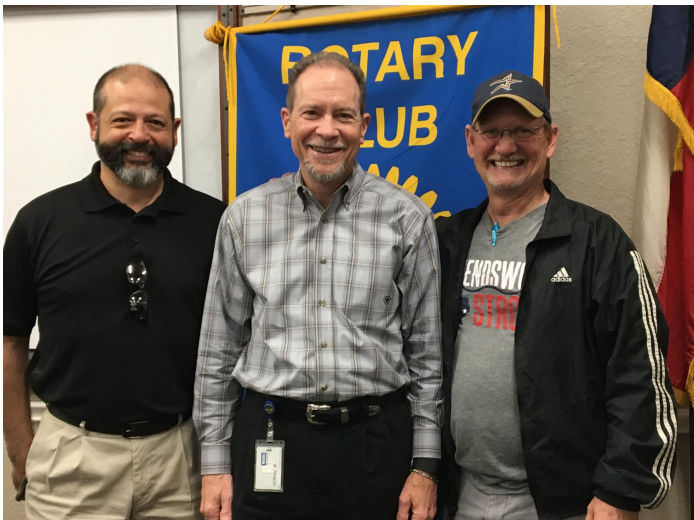

“What an experience! This event is truly life changing and we are so happy to facilitate this event,” said Rotary President Mary Frances Bradford. “Everyone gets to come together to eat, play and enjoy the day. I am inspired by the CPS workers dedication and passion for these children and families.”

CLUB NEWS: Friendswood

Rotary Club of Friendswood had the honor and pleasure of recognizing Roger Roecker as a distinguished Paul Harris Fellow. Rotarians often designate a Paul Harris Fellow as a tribute to a person

whose life demonstrates a shared purpose with the objectives of The Rotary Foundation. The presentation of Paul Harris Fellow recognition is The Rotary Foundation's way of expressing its appreciation for a substantial contribution to its humanitarian and educational programs.

Rotary Foreign Exchange student, Sylvia Fiecchi, spoke today about her time in Friendswood and her home in Italy.

The Rotary Club of Friendswood welcomes Rebecca Hillenburg as the club's newest member along with Sally Branson and Club President Luis Briones.

CLUB NEWS: Galveston

Rotarian Gina Spagnola (left) and Kristen Carlson, President, Rotary Club of Galveston are "back to back" on radio broadcasts on Galveston's *K-TOR The Tornado* radio station, which originates from the Anita Martini studio at Ball High School. Spagnola, president of the Galveston Regional Chamber of Commerce, hosts a weekly radio show right before the Rotary Club of Galveston's monthly broadcast, with President Kristen hosting the Club's show. Rotarians participating in the March 5th broadcast included Stephen Duncan, Board member (Sergeant-at-Arms) and Robyn Bushong, PR Chair. Each month different topics, projects and events are discussed by the club's members on-air. (Photo by Robyn Bushong.)

The Rotary Club of Galveston recently announced that the Club's Galveston Rotary Foundation had awarded a special grant for \$1,600 to Tagum City Children's Relief, Inc. to support a 13-week nutrition and education program for malnourished children at critical developmental stages in the Tagum City area of Mindanao, Philippines. Rotarian Jeremy DePaolo (right), previously a member of a Rotary Club in the Philippines and now a member of the Rotary Club of Galveston, had worked directly with the Tagum City Children's Relief project, and requested assistance for this vital project. CLUB NEWS: Huntsville

In February, the Rotary Club of Huntsville held its first *WineQuest*

fund raising event at the Magnolia Lakes event center in town.

The WineQuest committee worked for several months to plan the event and was able to garner a tremendous amount of community support in the form of donated wine, food, and auction items, as well as a 50% reduction in the cost of the Magnolia Lakes facility. The event was highly successful, with more than 200 attendees. Guests sampled wines from around the world while enjoying food provided by eight local restaurants.

A jazz quartet from Sam Houston State University played in the background.

This was the most successful fund-raising event the club has held and it was done to support the *Early Act First Knight* character program in our local schools. This year, the club established this Rotary-based program in the Huntsville Intermediate School (HIS) because it has been highly effective in other schools which have adopted it. These schools report substantial reductions in behavior problems, greater academic achievement, and greater parental engagement, among many other positive results. Students and teachers at HIS love the program. The club plans to use the funds to expand the program into the town's four Huntsville Elementary schools beginning in the fall semester of 2018. We look forward to the next *WineQuest* event next February!

CLUB NEWS: Lake Conroe

Such a worthy project!

The Lake Conroe Club made blankets to donate to The Rotary House in The Woodlands. The Rotary House is a project led by the Woodlands Rotary Club to help lift the financial burden and trouble, by providing temporary housing, while loved ones are in the hospital. Rotary Club Lake Conroe made and delivered blankets as part of a welcome basket to guests of the Rotary House.

CLUB NEWS: Nacogdoches

Matt Moore, Fifth Grade Teacher at Carpenter Elementary in the Nacogdoches Independent School District was guest speaker at a recent meeting of the Rotary Club of Nacogdoches. Mr. Moore's presentation provided an overview of the gardening and outdoor education program he is teaching to students at Carpenter Elementary. Mr. Moore has been recognized by school administrators by awarding him teacher of the year for the past two years. Currently, his after-school gardening and outdoor education club serves 22 students from pre-k to fourth grade. Mr. Moore also shares his love of teaching and gardening by offering workshops at the Nacogdoches Public Library and serving as the Chairman of the Education Committee at Pineywoods Permaculture.

Robert Guilbeau, club member presented a Rotary banner to the club obtained from his recent visit to the Beaumont Rotary Club. Pictured left to right are: Mr. Moore, Matt Turner, Program Chairman, Mr. Guilbeau and Francis Spruiell, Club Immediate Past President.

Jonathan Dunn provided an update on the Old Stone Fort Bike Ride event scheduled for Saturday, April 14th and displayed the TREK bicycle being raffled as a part of the project. The event is one of the club's major fund raising projects with proceeds used to contribute to numerous Rotary charitable programs throughout the year. Sam Smith provided an update on the Lake Naconiche Pavilion Playground Project which is nearing completion. The playground is the second phase of the project which is designed to enhance personal experiences at Lake Naconiche.

Pictured front row left to right are: Ms. King, Mr. Krennek, Mr. Lostracco and Mr. Mitchum. Back row left to right are: Gregg Nichols, Club President, Matt Turner, Program Chairman, Dr. Li, Mr. Smith and Mr. Dunn.

CLUB NEWS: Nederland

The Nederland Rotary Club of Nederland Texas has been very busy with our fundraising for 2018.

As you see in the photos, we had our annual Spaghetti Dinner held at the Nederland High School Cafeteria on Tuesday, October 10, 2017. We served more than 280 pounds of beautifully cooked meat for our spaghetti. All left over spaghetti and meat sauce was donated to a non-profit in our local area. Our four elementary schools provided the entertainment with each choir singing two songs.

Next up was our HOFNOD, Hooked on Fishing Not on Drugs event held at the main City Park on February 17 and this was our 17th Annual HOFNOD Event.

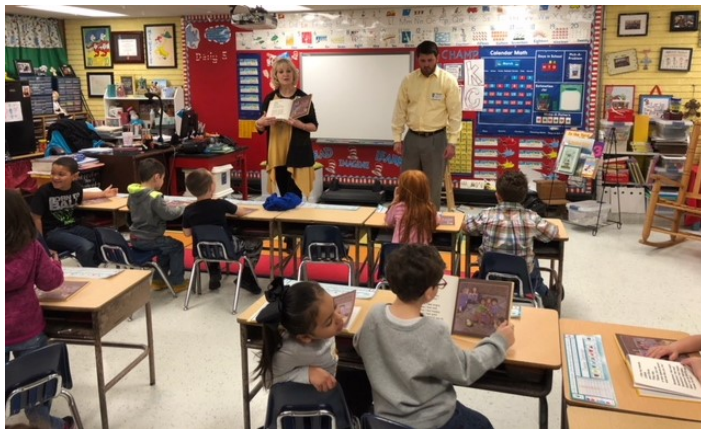

There were students ages Pre-K through 4th Grade that learned to fish or fished with their families. Prizes were provided by many generous sponsors and donors. The Parks and Wildlife Department stock the pond at the park with more fish than anyone can imagine.

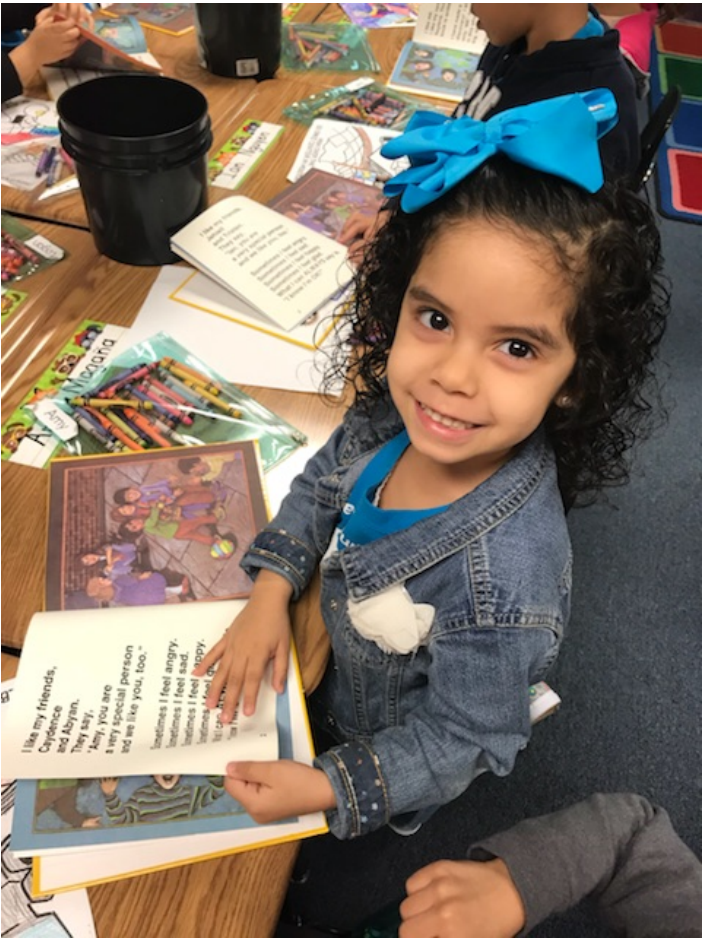

At the end of our event when the crowd thinned out a little, time was provided for students and young adults from a nearby local school to have time to fish and experience the fun of being outside. These special needs young adults and children had so much fun.

On March 9 and 10th Rotary Members delivered I LIKE ME BOOKS to all Kindergarten students within Nederland ISD. It is always fun to share a story with the students and point out that the story has been written about them and their adventures with two of their classmates. It makes for a fun day!

Then on March 13-17 the Rotary Club sold more than 12,672 fried Oreos, plus freshly squeezed lemonade and Pappa Johns Pizza. The lemonade and fried Oreos always create a long line at the window. We had many local businesses assist in volunteering this year in our booth and our local Interact and Rotaract Clubs volunteered. This is a week long event which takes a toll on our group but the funds raised this year exceeded \$11,000. It was long week but a FANTASTIC week for our scholarship recipients.

The Nederland Rotary Club stays busy all year planning for our many fund raising events and serving our community. All funds raised go back into our Nederland ISD Schools for scholarships to assist Seniors to go to College or a technical program.

CLUB NEWS: Orange

Orange Rotary had an inspiring visit with District Governor Rhonda Herrington. Our visit had been postponed because of Hurricane Harvey, but the wait was worthwhile as Gov. Herrington gave us insight into Rotary initiatives and its importance as an organization.

Steve Aguillard, Orange Rotary president, welcomes Rhonda Herrington, District 5910 Governor. Board members Sarah Boehme and Ida Schossow join them.

The Greater Orange Area Literacy Services (GOALS) offers tutoring for adults who need learning skills. Director Rhonda Powell gave a program for Orange Rotary. In turn, Orange Rotary participated in GOALS fundraiser, a spelling bee. Members Gracie Henry, Daniel Moreaux, and Kristen Tompkins formed a team to compete in the adult spelling bee. They lost to a team from Lamar State College

Orange, but represented Rotary bravely and helped raise funds for literacy.

Volunteers & Spopnsors Needed for the Southeast Texas Soapbox Derby

**Southeast Texas
Soap Box Derby**
In Memory of Lloyd Koehnen
May 4-6, 2018
Maury Meyers Bridge, Beaumont, TX

The All-American Soap Box Derby, "The Greatest Amateur Racing Event in the World," is a youth gravity racing program for boys and girls 7-18 years of age. The mission of the Derby has not changed since its inception in 1934: to promote families working together, to teach children basic skills of workmanship along with the spirit of competition, and the perseverance to continue a project to completion.

The annual Southeast Texas Soap Box Derby is the service project of the Spindletop Rotary Club (Beaumont). Annually, the proceeds raised from the Derby provide college scholarships to the nine (9) Derby winners and six (6) B.I.S.D. middle school education grants. **In addition to the scholarships and grants awarded, 50% of the Derby proceeds will be donated to Girls' Haven.** Girls' Haven offers a safe home to young girls that have been affected by homelessness, physical and sexual abuse, and severe family dysfunction. The Spindletop Rotary Club is a non-profit 501(c)(3) organization and your donation will be acknowledged for tax purposes. Please consider sponsoring a division or car in our Southeast Texas Soap Box Derby and allow us to continue our purpose of **"Service Above Self"**.
