#### **Rotarians and Rotary Friends:**

Still on the road....4,000+ miles so far.

Each club I visit has outstanding Rotarians with interesting life stories. Friendswood was no exception. Raised in what was then East Germany and behind the Iron Curtain, this young man received a fourteen day vacation pass to another Iron Curtain country, Hungary. On the last day of his pass, he met a young Hungarian lass and it was love at first site. Neither of them spoke each other's language so they commuted with sign language and promised to write each other. Now, all mail was read first by the authorities so their correspondence had to go via a friend's vehicle when such a trip was planned into Hungary or East Germany. This went on for several years until he told her of his plans to live in the United States and she was asked to accompany him. The proposal was accepted and they made plans to escape during the next visit to Hungary. Escape they did but almost got caught several times leaving Hungary for Austria. His brother lived in the US so he was able to assist with their immigration after waiting one year for the correct

papers to be filed. The Von Trapp Family has nothing on our fellow Rotarian.

It is hard to tell where you are when you in the Nederland/Port Neches-Groves/Port Arthur city limits. There are not any natural boundaries between these Rotary Club cities. You can have Port Arthur on one side of the street and Port Neches or Nederland on the other. Take a right turn and you find yourself in a different city. Best of luck to you if you have an accident.....what city are you in and whose police department do you call? The Rotarians of those fair cities more than likely know where they are. It is just us visitors that are lost. Or maybe not, the post office box for Port Arthur Rotary Club is in Nederland. Shouldn't it be in Port Arthur?

After finishing my speech at Galveston Island Rotary, I was asked to pose for pictures. I then packed up and left and forgot to check back on the podium for any needed material. The next day at Galveston Rotary, guess what.....my speech was not in my briefcase! I made up the speech as best I could. A Good Samaritan Rotarian from Galveston Island was making up at Galveston and approached me after my less than stellar presentation. He told me he knew where the podium was stored at the San Luis and would go to the hotel and retrieve the speech. Sure enough, he called while we were on our way to the San Luis and said he had the speech and he would wait for me on the street behind the San Luis. A site made in heaven was seen when I turned right. For there he was with my blue Rotary speech holder in his hand. Don't you just love Rotary make-ups?

**RYE: Team Welcomes All Exchanges Home**

**Rotary Youth Exchange Welcomes Home Our 2015-2016 Outbound Students**

August is a busy month for Rotary Youth Exchange (RYE) throughout the district. We welcome home the students who have spent a year abroad and welcome the new inbound students. (The Youth Exchange students are all pictured upon arrival on the RYE page.)

The month started off with the annual RYE Rebound Retreat which was held at Camp Allen. This is a time for students returning from their exchange year to “debrief” and learn ways to help readjust to their home environment. This year we also had a session for their parents. It was a very productive weekend for the students, their parents and Rotarians who have worked with them over the past two years.

We had five students who went on exchanges during the 2015-2016 school years. **Jake Burns** and **Mattie Lightfoot** spent their exchange year in France. Jake was sponsored by **Rotary Club of Conroe**. Mattie Lightfoot was sponsored by **Rotary Club of College Station**. **Callum Darby, Gaston Lira and Emilio Lira** were sponsored by **Rotary Club of Lake Conroe**. Callum spent his year in Spain. Gaston and Emilio Lira both exchanged with Germany. These students are available to speak about their exchanges and their talks would make great weekly programs.

If you are interested in learning more about the Rotary Youth Exchange outbound program you may contact District RYE Chair Glen Mattingly or any member of the RYE District Committee. We will also hold an information meeting at Lone Star College – Montgomery on September 24, 2016. The college is located at 3200 College Park Drive, Conroe, Texas 77384.

### **Inbound Orientation Weekend**

#### **Inbound Enjoy Orientation Weekend**

On the weekend of August 19-21 District 5910 Rotary Youth Exchange Committee conducted an orientation for our 11 new inbound Rotary Youth Exchange Students and one inbound student hosted by our neighbor District 5830. It was a full weekend in Galveston with a mix of orientation sessions and fun activities on *The Island*.

Our inbounds are hosted by **Rotary Clubs of Bryan, College Station, Friendswood, Galveston, Huntsville, Lake Conroe, League City, Livingston, Nacogdoches, Palestine and The Woodlands**. ***Thank you very much!!!***

Appreciation is due to a number of people who assisted in a variety of ways to make Inbound Orientation Weekend very successful.

Rotarian Christina Rathbun and husband Bill of the RC of Lake Conroe made arrangements for use of meeting rooms and the pool at Palisade Palms. Since Bill and Christina were out of the country, their son, Charlie Morris, his wife, Dani, and daughter, Trinity, represented them as our hosts for events at this location.

The Rotary Club of Galveston hosted the Saturday evening reception and dinner, and John Zendt, President of the RC of Galveston and CEO of Moody Gardens, provided complimentary tickets to Moody Gardens.

On Friday evening Rotarians from the RC of Friendswood appeared at our beach house with eleven awesome pizzas for dinner. The Cushing family, also of Friendswood, sent a very large tray of delicious cookies.

Two Rotex students, Mayra Paredes and Jasym Mireles assisted with orientation and chaperoned inbounds on other activities. Mayra was sponsored by RC of Dickinson and spent her Rotary Youth Exchange year 2014-15 in Brazil. Jasym was sponsored by RC of Lake Conroe and spent his RYE year 2013-14 in France. Both are now in college.

We hope you will find time to meet our inbound students and will invite them to be part of your Rotary events.

What a wonderful weekend!

## Books for the World

### Invitation to Assist with Books for the World

The Dickinson club members worked at the Books for the World warehouse in Pasadena in February with Rotary Club members and Dickinson High School Interact kids.

Rotary Books For The World is an international service project started in 2000 and supported by Houston area Rotary Clubs, Rotaract Clubs, and Interact Clubs. Books for the World is proud to announce the shipment of the 271st 40' shipping container of books (for a total of over 10 million pounds), as well as several containers of school furniture, bicycles, and bicycle parts to Rotarian led literacy projects in 23 different countries.

In a nutshell, books (mainly out-of-adoption school books) are sent to a warehouse in Pasadena to be sorted and palletized\* so they can be sent to various parts of the world to be given to students who have no books or only limited access to them. Interact, Rotaract, and Rotary volunteers gather together for 2 hours one Saturday each month to sort the books in the warehouse. Having done so, you've participated in a recognized international project and have helped to possibly change the life of a destitute child overseas.

Would you & your club like to help with the shipment of the next container?

Please bring a group of your club members, Interactors, Rotractors, friends and family members to help sort and palletize books on the following dates:

**Sep. 17, and Oct. 15**  
**(All these dates are 9 am – 11 am);**  
**Nov. 12 and Dec. 3**  
**(These dates are 10 am – Noon)**

This is a non- air-conditioned/non-heated warehouse. Please dress appropriately. The times are adjusted to try to keep our volunteers as cool as possible. You are welcome to bring used books (of any type as long as they are in good condition) to donate to this project.

Where?

116 Main St. Pasadena, TX

Park on Eagle St. or under Hwy 225

Be careful crossing the street and do not leave valuables in your car. The September and October dates will have difficult parking because of youth football at Pasadena High School.

Questions? Terry Ziegler - [bigzlumber@aol.com](mailto:bigzlumber@aol.com) or 713-825-1176

We always need more funding to purchase containers and to pay for shipping. Please consider asking your club to donate to this great project or to apply for a District Grant for it. See more at the project website [www.rotarybooksfortheworld.org](http://www.rotarybooksfortheworld.org).

If your club has connections through your school district to secure out-of-adoption books to be included and can get them palletized and transported to Houston, the specific instructions are included through the link below.

**CLUB NEWS: Angelina**

**Angelina Rotary Shares Good News!**

August proved to be another busy month for members of Angelina Rotary Club. Our club focus this month was polio. We had Chuck Mason from District 5910 give us an update from RI on the current efforts towards polio eradication.

We also had the last documented polio survivor in Angelina County, Joe Havard, share his story about growing up with polio.

Joe is pictured with a small leg brace he wore as a child. We did a special club fundraiser throughout the month and raised \$225 that we will donate directly to the Polio Plus Foundation in honor of Joe.

We inducted new member Kinnie Reina, pictured with sponsor Carol Shaw.

Members also participated in the community-wide Back to School Bonanza. We worked in the uniform station, giving away the uniforms we had collected with the Lufkin Rotary Club and the Lady's Lion Club. Children were able to start the new school year in a new uniform!

Our club donated pencils to the Lufkin High School Special Education Class to help make this school year a success for the students.

Even with all the work hard, we still made time to have a little fun. We ended the month with a club social at Ralph & Kacoo's and a pool party at District Governor Gig Langston's house. Both evenings were full of fun, food, and fellowship!

### **CLUB NEWS: Galveston**

#### **Galveston Club Supports Life Guards**

Recently, the Rotary Club of Galveston's Galveston Rotary Foundation, Inc. awarded \$1,275 in scholarship funds to the Galveston Lifeguarding Association to help offset expenses of participants attending the Gulf Coast Regional Junior Lifeguarding competitions held July 23 on South Padre Island. Without the financial support of this contribution, some of the participants would not have been able to attend and compete. All together, 16 junior guards attended the regional competitions and several are also planning to compete in the National competitions in Hermosa Beach, California.

The Galveston Island Beach Patrol Junior Lifeguard program offers youth ages 10-15 the opportunity not only to develop better swimming skills, but to be introduced to paddle boards, learn CPR, and to "shadow" a working lifeguard (where youth in the junior guard program learn how to make a rescue, how to spot a swimmer in distress, learn escape moves, as well as learn the lifeguard's overall daily routine.)

Co-directors for the Galveston Junior Lifeguard Program are Captains Tony Pryor and Mary Stewart, answering questions at the recent Rotary Club of Galveston meeting honoring participants of the Gulf Coast Regional Junior Lifeguarding competitions.

At a recent Rotary Club of Galveston luncheon meeting, several of the junior lifeguard program participants were recognized and thanked the club's membership for the opportunity to participate in the competitions. **CLUB NEWS: Conroe**

**Conroe Club Supports Blood Drive**

Past President Thomas Stewart ran a very successful blood donation campaign at Wiesner Automotive Center in Conroe on behalf of the Rotary Club of Conroe. Twenty five units were donated to a depleted Blood Center from a 46-member Club. The Blood Drive ran from 9 am to 3 pm and was in lieu of the normally scheduled

meeting on August 23, 2016. This giving of blood is another of the 19 Service Projects projected to be completed this Rotary Year. These service Projects are a legacy of the Rotary Club of Conroe which celebrated its 84<sup>th</sup> Birthday on August 24<sup>th</sup>.

Governor Gig attended the August 30<sup>th</sup> meeting of the Rotary Club of Conroe celebrating Rotary and providing the Rotary Club of Conroe with District Goals. This meeting was well received. Since August is membership month, District Governor Gig inducted three new young members into the Rotary Club of Conroe. Inducted were:

1. Sarah Tillman who is the District Liaison for State Representative Will Metcalf.
2. Travis Walker, a young engineer with the firm of Bleyl & Associates.
3. Lt. Joe Smart with the Conroe Police Department.

President Ron Saikowski has a goal of reaching 60 members by next June growing the Rotary Club of Conroe by 14 from 46 to 60. To achieve this, he has Hector Forestier and Nick Davis chair the membership committee.

### **CLUB NEWS: Cleveland**

Cleveland Club is a Busy One!

Cleveland High School Rotary Interact Club, sponsored by the Cleveland Rotary Club, participated in the recent Back To School Spectacular held at the Cleveland Civic Center. The Rotary Interact Club is for high school students to join together in supporting issues and projects in their community important to members. Handing out spiral notebooks, crayons, and pencil sharpeners was a perfect fit for the member to help their fellow students. Cleveland Rotary Club donated the school supplies, and members of the Interact Club as well as Rotarians helped support the project. Pictured are (in the foreground) Interact Club members Jose Hernandez and Julissa Rivera, both sophomores at Cleveland High School; and (background) Rotarian Tommie Daniel.

Cleveland Rotary Club started a tradition several years ago to buy stuffed animals from Jane Walters at the Cleveland Senior Citizens Unique Boutique Gift Shop to donate to the Cleveland Police Department. The police distribute the stuffed animals to children they encounter on calls as a community outreach, especially children involved in stressful situations. Pictured (left to right) are Sgt. Sergio Lopez, and Rotarians T. W. Garrett and Jack

Carnes, who donated the stuffed animals in the name of the Cleveland Rotary Club.

Members of the Cleveland Rotary Club welcomed Demetress Harrell, Membership Retention and Extension Chair for Rotary District 5910. Harrell emphasized encouraging all current members and contacting potential members through social media and make them aware of the programs and projects supported by the club. Cleveland Rotary reaches out in the Cleveland area with their college scholarships to Cleveland and Tarkington High School seniors, the Elementary School Don't Meth with Me program, and the Rotary Interact Club at Cleveland High School, among other projects. Pictured (left to right) are Past President Frieda Joyce; speaker Demetress Harrell; Past President and current Assistant Governor Ernestine Belt; President Eisha Jones. **CLUB NEWS: Lake Conroe**

**Lake Conroe Club Shares Beautiful Memory Park**

Rotary Club Lake Conroe hosted Business Connect After Hours with Montgomery Area Chamber of Commerce promoting Rotary and Business! It was held at Memory Park in Montgomery, Texas which is an on going project for our club. There was food and drinks, door prizes and socializing with the local businesses. The Rotarians gave tours of the park and talked about the wonderful things Rotary is about. We had a great turn out and enjoyed the service, promoting, and awareness with the guest and members of our club!

## Rotaract News

With the fall season comes the start of class at colleges and universities around the country.

District 5910 is blessed to have active Rotaract Clubs at Angelina College, Lamar University, Sam Houston State University, Texas A & M University, Stephen F. Austin University, and Lone Star College of Montgomery County.

These College-oriented Rotaract Clubs have been the focus since Rotaract Clubs are oriented for adults from 18 to 30. Community Rotaract Clubs have started in District 5910 in Vidor, Beaumont, and Galveston. These community Rotaract Clubs should be easier to start and maintain since colleges require that Rotaract Clubs follow their rules and have one of their staff as a School Sponsor in addition to the Rotary Club Sponsor.

Has your Club thought about starting a Rotaract Club in your community? If not, then why? Rotaract Clubs are a great way for young adults to transition into Rotary. This is a great way for your Rotary Club to recruit new, YOUNG members into your Rotary Club. It is very easy for your Club to start a Community Rotaract Club with at least one sponsor. However, get two or three Rotarians in your Club to help start that Rotaract Club. Rotaract Club Members can be easily found in your community through Young Professional Groups in your local Chamber of Commerce and in local Churches.

Rotaract is a club for adults ages 18-30 that meets twice a month to exchange ideas, plan activities and projects, and socialize. While Rotary clubs serve as sponsors, Rotaract clubs decide how to organize and run their club and what projects and activities to carry out. Rotaract Club only need to meet twice a month and do not have the costs in dues nor the time requirements that many Rotary Clubs have. Starting a Community Rotaract is an easy way to recruit young members into your Club. This happens when Rotaract Club Members "climb up the Office Hierarchy" into better positions that pay higher salaries. Please contact Ron Saikowski, your District 5910 Rotaract Chair, for help in starting your local Community Rotaract Club. ([rsaikowski@comcast.net](mailto:rsaikowski@comcast.net) or 713-252-3729). There are great aids and handbooks on the Rotary webpages to start and maintain a Rotaract Club at <https://www.rotary.org/myrotary/en/learning-reference/learn-topic/rotaract>.

For those Rotaract Clubs already in operation, now is the time to check out the requirements to earn your Presidential Citations Rotaract Presidents should register via [www.ROTARY.ORG](http://www.ROTARY.ORG) as the President of their Rotaract Club and get others to register with them on MY ROTARY. The requirements for the Rotaract Presidential Citation are easy to achieve and requires electronic wizardry on the internet. For information on the Rotaract Presidential Citation, go to:

<https://www.rotary.org/myrotary/en/news-media/office-president/presidential-citation-rotaract-clubs>

Rotaract Clubs are encouraged to participate in RYLA in January, 2017. Please contact Ron Saikowski for more information.

### **INTERACT OFFICERS: Mark Your Calendars!**

#### **Interact Training Workshop Successful**

Interact officer training was held on Saturday, August 13 at Lone Star College. 120 Interactors and Rotarians gathered to learn and plan for the new year. Sponsors and students alike had

sessions and chances to exchange ideas, projects, and suggestions. The training received high ratings from sponsors afterward, and students went home full of new ideas.

Ernestine Belt and the Cleveland High School Interact officers and sponsor met to powwow for the coming year.

Smaller Interact clubs, such as Orangefield and Vidor High Schools, paired up to share ideas for 2016-17.
