

## LSC-Montgomery Directional Map

Please be aware that Maverick Way (the eastern-most entrance to LSC-Montgomery) is no longer open to entering traffic coming from I-45, unless you are on the newly-opened flyover. You will have to use the LSC-University Center entrance or the **West Campus Drive entrance** (see map below). You can still access the parking lots off Maverick Way – just use the other entrances and follow the signs.

Traffic coming from the west on 242 is still able to use the Maverick Way entrance. Also, this does not affect the Maverick Way exit – just the entrance. A \$.50 toll will be assessed for those using the flyover. Please be careful at the 242/Maverick Way intersection – **follow all posted signs!**

### College Entrance Impacted by Flyover

**A:** Commons Building
